

Reveal the **treasure of your HR data** in an interactive management **dashboard**:
from **transactional** to **decision-making** in Human Resources.

Facilitate your strategic decisions!

myHR allows you to:

Measure

Analyze

Plan

- Key Performance Indicators (KPI's): workforce, recruitment, absenteeism, salary percentiles, ...
- TOP / FLOP services according to these KPI's
- Trainings by grade, seniority, department ...

[...]

- The correlation of performances with wages
- Absenteeism by department, status, level, period
- Causes of success (or failure) according to recruited profiles

[...]

- Retirements
- The evolution of the salary grid
- The risk of skill shortages
- Decisions to achieve the goals of your company

[...]

From factual to strategy !
